Baylee’s Irish Cream is a 2012 palomino stallion by Gunner’s Special Nite out of Boggies Ruff Blonde. He was born and raised with Joe Treib in Letcher SD, and trained and shown by Dallas Cunningham in Mitchell SD. Baylee won the Great Plains Open Futurity and won third in the Sunflower Open Futurity, but his futurity season was cut short from an injury. He will be shown at the Midwest Breeders Derby, NRHA Derby, and HighRoller 4 year-old Derby this year.

Joe Treib with Treib Performance Horses has raised quality horses that consistently rise to the level of competition today. Teamed up with Dallas Cunningham Performance Horses they hope to keep turning out champions on all levels!

CPRHA President’s Letter

Hello fellow reiners! This will be my 3rd year as President and am proud to hold this position. I learn more and more each year. I have a new found respect for all those who host shows as this is no easy task and it takes cooperation. A successful show does not just happen, it takes several volunteers, staff, and coordinators to achieve this goal. CPRHA has grown since I joined in 1998 as a youth member. Making CPRHA successful is like running a successful show, it cannot be done with just one person but takes several volunteers and coordinators willing to work together. We have been blessed to have people step up and take positions on the board, send out newsletters, coordinate youth projects, run paid warm ups, run the gate, sponsor classes and year end prizes (a very important part to keeping this organization successful...sponsored) and the list can go on. I would like to thank all those who take pride in being part of CPRHA without your help we cannot be a successful organization. I look forward to this season being with friends and horse family members.

Sincerely,

Serena Siebrandt

NRHA Non Pro / Youth Lease FAQ

Who can lease a horse for NRHA competition?
Non Pro and Youth members are eligible to lease a horse for showing purposes.

If I lease a horse with NRHA, can I show that horse in any class?
No. You cannot show in Category 2 and 6 classes.

Do I have to send in the horse’s original competition license?
Yes, the lease form, lease fee and the original competition license must be turned in to the NRHA office. After the lease is processed, a lease certificate will be mailed to you. The certificate will be required as proof of the lease when entering NRHA events.

How much is an NRHA lease?
$100 for the initial lease, and then $20 for each renewal.

Is there a limit on how many times I can lease a horse?
No, you can lease unlimited times with the NRHA, but all leases do expire on December 31st of each year.

If I void my lease before December 31st, can someone else lease that horse for the remainder of the year?
No, only one lease per year is allowed for each horse.

Can I turn in my lease form at the show?
No, all leases must be received by the NRHA office with the original competition license and fee for processing prior to competing. Please allow time for processing and return mailing.

If I lease my horse, can my trainer still show it?
Yes, a Professional can compete on the leased horse in any category.

I have already turned in a lease with AQHA, do I have to complete a lease form with NRHA?
Yes, the NRHA lease form is required for NRHA competition and must be on file. An AQHA lease does not fulfill this requirement for NRHA competition, and vice versa.

I am a lessee and want to purchase the horse I’ve been leasing. How do I transfer it into my name?
Contact the Member Services Department for instructions and a form to complete the transfer.

After the lease expires on December 31st, how does the original owner (lessor) receive a competition license for the horse that was previously leased?
Contact the Member Services Department for instructions. NRHA membership must be current before the competition license will be issued.
CONGRATULATIONS TO ALL OF OUR CUSTOMERS......

CPRHA offers young reiners of all ages and experience levels the opportunities they need to get started in the sport of reining. Competition points are earned throughout the year according to their placings. The CPRHA youth love reining horses and enjoy the opportunity to share experiences with friends.

Although the CPRHA youth are very talented and competitive, they help each other out at shows and encourage everyone to do their best. At the shows, the CPRHA youth like to barbeque, play games, hang out together, and even sit by a bonfire to relax with friends and parents. Along with showing, the CPRHA youth participate in meetings and other fund-raising events, working together to promote the sport of reining and encouraging others to get involved in the organization. Come on out in 2016 and see what the CPRHA youth are all about!

**RAEANNA THAYN - MISS PRIME TIME WHIZ**  
**Champion Youth 10 & Under**

What an amazing year! This was my second year to show Miss Prime Time Whiz. We had a blast!!

My goals with Whizee were to win CPRHA Year End Short Stirrup, qualify for the NAAC in Youth 13 - Under in Oklahoma City and finish in the NRHA Top 10 Youth 13 - Under.

Along the way to reaching our goals we got to show in several states, Nebraska, Oklahoma, Texas, Colorado, Nevada and Minnesota. Whizee and I won 4 Youth 13 - Under classes and 12 Youth 10 - Under classes.

We met our goals! Miss Prime Time Whiz and I won CPRHA Short Stirrup Year End, qualified for the NAAC in Youth 13 - Under and finished 6th at the NAAC in Oklahoma City. (I finally get one of the cool jackets they give to the Top Ten in the Affiliate classes)! We also finished 5th in the NRHA Top 10 in Youth 13 - Under out of 324 youth!!

The North American Affiliate Championship was a very special show for me...it was my last time to show in Short Stirrup and the last time I would get to show Whizee. In my 5 years of showing in Short Stirrup I ended up with 760 points! Whizee ended her show career with 549 Youth/Short Stirrup points and over $10,000 LTE. Whizee will retire and become a broodmare and I get to ride our 5 year olds...GiGi, Cadillac and Karma. I can’t wait!!

I would like to thank Jared Leclair for everything he does for me in and out of the show pen!! I couldn’t have done it without your help!! Thank you Seth Chamberlain for helping me at the Nebraska shows and Mom and Dad for all their support and encouragement. Last but not least Thank You CPRHA for putting on such great shows!

Good luck to everyone in 2016!!

**EMERSON SCHULTIS - STRUTTIN MY LUCK**  
**Reserve Champion Youth 10 & Under**

This was my second year of showing Rufus in the short stirrup class and it was definitely a year full of challenges! Last year I didn’t ask much of Rufus because it was my first year of reining.

Throughout this year I learned more about reining and started to ask much more of him. He didn’t always make it easy for me but he certainly made me a better rider. I got to spend a lot of time riding with Dallas and working on my run downs and stops. I am so thankful that Dallas has so much knowledge and patience for both of us. We had some really good rides and a highlight of the year for me was earning a score of 72 while showing in Lincoln.

Another challenge I faced throughout this show season was keeping shoes on Rufus so I could ride and show him. It seemed he was always losing a shoe and taking a piece of his hoof with it. Unfortunately, after the CPRHA show in July, Rufus had to have a cast put on his hoof and the show season was over for us. The competition was fierce in the short stirrup class throughout the entire season this year, so I was quite surprised and very excited to find out that I was receiving the Reserve Champion award for 10 & under. This was my last year in short stirrup so I was very happy to end it by earning this award. I am looking forward to competing in the youth 13 & under class this coming show season. I know I will once again face some tough competition. Thankfully, I will once again have excellent coaching from Dallas Cunningham and a great horse to ride and show.
LAUREN HEINE - CONQUISTADORS CUSTOM
Champion Youth 13 & Under

I have to say this year I was very blessed. I have this amazingly talented horse, Conquistadors Custom (Mocha) who is practically my best friend. She always tries her best and somehow she always pulls through for me. I am so lucky to have won NRHA's 13 and under 8th place year end champion, CPRHA 13 and under year end champion, NRHA derby champion and affiliate finals reserve champion 13 and under. I couldn’t have done any of that without my amazing trainers, Serena Siebrandt and Carol Neilson for seeing my ability and working hard with me to help me improve and learn with every competition. I have to mention my favorite sister (and only one) for always cheering me on and saying “I can” when I needed it most. She also always makes sure I look ok before entering the arena! Also I can never forget my loving parents who are always there. My mom does so much for me, even at the horse shows. I always lose her at the shows yet she still seems to make sure everything is all good before I show. And when I’m done showing I always see her at the end gate smiling and crying and that’s the best feeling ever. She doesn’t care how I do because she believes in me and knows I will always be improving. I know even though I can’t see his face, I can see my dad smiling and telling everyone in heaven that’s my daughter, and she is a little champion now. Dad was as excited for me as I was when we found Mocha, he promised me he would be at the futurity this year, and I know somehow he was there and knows that Mocha and I gave it all we got. It was a challenging show, as I woke up at 3 in the morning and I didn’t feel too good. It was a rough night and the next day was a big day. I still didn’t feel too good that morning but I knew I had to focus, it was my last shot at 13 & under so I went out there and gave it my best. It was good enough to tie for first. I didn’t want to share as a co-champion so we did a run off. Sadly, Mocha and I missed a lead change and got a 3 point penalty with a score of 211, that wasn’t going to make it for the win. It was the most exciting moment of my life that day. Mocha and I came home with a reserve and I would do it all over again!!
MORGAN RITZ - SPINSTER WHIZ
Reserve Champion Youth 13 & Under

Spinster Whiz, aka “Remi”, has taught me many lessons over the past few years, even though we have a love/hate relationship, I’m blessed to have the opportunity to show her and be a part of the CPRHA family. It was a great experience to show at the derby in OKC, the Sunflower Slide, the futurity in OKC and the NRHA Affiliate Championship. Thank you to Serena Siebrandt for your dedication and support I also want to thank the Dittrich family for the opportunity to buy Remi. I am excited that we placed Reserve Champion our last year in youth 13 & under and look forward to showing Remi in 2016.

CLAIRE STREETER - HAPPY TRAIL
Champion Youth 14-18

Wow! What an amazing year 2015 turned out to be. As sad as it is that 2015 was my last year to show as a youth, I could not have dreamed of it being as much fun and as successful as it was. I got Happy Trail just 3 weeks before the first show. After my first run in the show pen I quickly learned that I could not have asked for a better horse to compete on for my last year in the youth. For my last year I wanted to try and “do it all”, so as you might imagine Happy Trail and I went to a lot of horse shows. However, in the end it all paid off. Not only did I have the summer of a lifetime, but we also won the title of Top Ten in the NRHA year end standings.

I would not have been able to accomplish any of this without some very important people. Thank you to my parents who drive me to every horse show, cheer from the sidelines and support me no matter what, and to my sister for always pushing me to be my best and giving me the friendly competition and support. I also want to thank Drake Johnson for all of your help, patience and unwavering support! Drake always knows when to make me laugh, and when to push me just outside of my comfort zone. Thank you to all who have supported, helped and cheered me on through out my youth show career!

I will miss showing in the youth, but I look forward to the new challenges that lie in front of me, and to continuing my show career with Happy Trail.
ISABELLE RIGGS - TYPICAL MARE
Reserve Champion Youth 14-18

Typical Mare is such an amazing horse and she has definitely taught me a great deal. This year we moved into 14-18 class. I was hoping to stay in the top 10 in order to make it to Affiliate Finals and ultimately make it to OKC for NAAC finals. We started off strong and hung in taking second place for most of the CPRHA shows this year. We did fair in the affiliate finals and advanced to OKC. In OKC things didn’t go as well as we wanted them to, however overall things have definitely improved for both Red and I since we first started together. Thank you so much to DCPH for dedicating your time to help me. I would not be the rider I am and Red and I couldn’t have gotten to where we have without you.

SERENA SIEBRANDT - DUN SMARTIN
Champion Green Horse

Smarty is a 6 year old grandson of Hollywood Dun It on top and Smart Chic Olena on the bottom. My sister Debbie found Smarty on Dreamhorse two years ago and said I should look at this horse. She went out and rode him, thought he had potential so I bought him. The first year I didn’t have much time for him I turned him out in pasture and let him “be a horse” for a while. The fall of 2014 I started riding him, he had talent just needed some time and confidence. I was not sure how Smarty would be at the show, but we went to the March show and he was great in the show pen proving to be worthy of showing through the season. Smarty continued to place at each show, in the end winning the green horse class for the year end. Smarty is a great horse with a personality and heart. He will have a new home next year, congratulations to Emily Smith on purchasing Smarty. Best of luck Emily and Smarty!

SHERMAN TEGTMEIER - MISS SMOKEN IRIS
Reserve Champion Green Horse

Miss Smoken Iris

Miss Smoken Iris is a big gorgeous mare bred and raised by Rick and Chris Young. She is by their stallion Two Gun Dillon (Dillon) and out of Hot Doc Janette (Netta). Some of you may remember Dillon and Netta from when they used to show successfully in the CPRHA some years back. So Iris is very, very special to them! Netta was a great spinner and she has passed that on to Iris who has received a +1 on her spins. Dillon had that nice deep stop and Iris also goes to the ground hard. They have had Iris in and out of training for the past three or four years but not shown. This might have something to do with Iris’s nickname the Secret Weapon… now it is out.

Although Iris and Sherman didn’t make it to all the shows this year this team ranked near the top of her class most of the time. She was in the money in all her classes but one placing 2nd, 3rd or 4th. Iris is a powerful horse and Chris is riding her to see if they will be a fit for next year.
I wanted to win a buckle. It evaded me in my childhood, teenage years and 20’s. God had given me a love for horses and a love to ride, but riding became less and less with every child. However He also blessed me with 2 beautiful daughters who also loved horses. Their love eventually led us into this world of reining.

18 years later I finally got my chance in the show pen again. A friend was doing the Rapid City Stock show and encouraged me to grab my daughter’s horse and start riding. Why not? I had Steve’s (husband) approval and a horse not being rode much by my daughter that time of year. It was very humbling to start riding again after all those years. I certainly didn’t make it look as easy and as graceful as my daughters. The first time in the warm up arena I seriously thought I was going to be sick, and I thought “what am I doing? There has to be better (and cheaper!) ways to have fun!” But within the first minute in the show ring, I thought to my self “this was worth it!”

I survived that first show, and I came home excited to share my experiences with Steve. In true husband form he really didn’t seem to share my excitement nor seem all that interested. But when I was done he looked at me and said “Now what? Is this something you really want to do? You know you are not getting any younger!” I am not sure if I ever loved him more then at that moment. He encouraged and supported me with something he didn’t begin to understand but he knew it made me happy.

Well I went horse shopping and knew I loved Taris Perfect Shadow (Shadow) within minutes riding her. Unbeknown to me I had not only purchased a horse that had a lot of heart but she was a rock star! Everyone seemed to know Shadow. I think I met more new people that year through Shadow then I had the last 2 through my girls reining.

Unfortunately shortly after the first show my nephew died in a tragic airplane crash. I rode that year but it was hard to find the heart and passion to really pursue goals and I tried to get up to see my family as often as I could. The following year (this year) I thought this is it; I am ready for goals once again. It was a fun year and I learned so much. Mostly I learned how much I don’t know. But I also learned how fun it is to do something that you love and to reach a goal.

Not only did I win the CPRHA Green Rider but I also received enough points to earn my NRHA Green Reiner buckle (my girls call it my participation buckle. They think they are funny). It was very bitter sweet. The phone call acknowledging that the buckle was earned came a week after Steve unexpectedly passed away. It was hard not having him there to share the joy of a goal made, but every time I look at that buckle it reminds me of his unconditional love and support for me to pursue something that I loved.

All I wanted was a buckle, but what I got was so much more. I gained memories; confidence; the ability to laugh at myself when a run wasn’t too pretty; love, support, memories and a common bond with my daughters; and friendships that run so very deep. Thank you to my CPRHA family for being there for us this year. And thank you for giving us so much joy and memories through the years.
KYLIE MARR - HARD TO HIT
Reserve Champion Green Rider

Our Reserve Green Rider Champion is Kylee Marr and her gelding Hard To Hit, also known as Slugger or Slugbug. Slugger was bought for Kylee this spring about a month before the first CPRHA show for her to get to know and progress her reining skills! He was bought from fellow barn mate Kate Fiedler as a step up for Kylee and step up they did! Kylee won several plaques this year and several green rider classes. She also won her district at reining.

Kylee and Slugger show under the guidance of Somer Richards and EdgeParke Farms in Norfolk, NE. Kylee is a junior at Emerson High School and would like to thank everyone for their support this year especially her mother Roslynn and grandparents Bob and Etta Krahmer. She also thanks Somer for the opportunity to grow with such a great partner Slugger.

KATIE ENTZ - FINE LIKE O’LENA
Champion Ladies

Hi, my name is Katie Entz. During the show season of 2015 I was blessed with the opportunity to win the end of the year award in the Ladies class. My horse, Fine Like O’Lena, or better known as Dealer, and I had a very interesting year full of ups and downs. We started the year off strong in March with our first show in Lincoln, being in the top 10 in all of my classes. After that though, the year didn’t go quite as smoothly. My goal was to qualify for Winona, Minnesota in the Youth and Rookie classes, and then hopefully continue on to Oklahoma City in one of the classes or both. The only problem was, God must have had a different plan for us. Dealer and I always had something go wrong in the Youth and Rookie classes, whether it be with flopped leads, and mixing patterns up, or sometimes as simple as over spinning, or rolling back the wrong way, we never could quite figure out a good rhythm. The first few shows I used the Ladies class to practice and to do some schooling runs, that run usually ended up being our best run of the day. At one point, I somehow found myself 100 points in the lead. I am thankful for my interesting year with Dealer because it taught me many important lessons as a rider. The Lord showed me that my time with Dealer had come to an end and that it was time to extend my skills to a new horse. I am excited for the 2016 show season with my new horse and I am thankful for my time spent with Dealer. One of my goals was to win a year end award and buckle, I’m very blessed that the Lord allowed me to win the Ladies class.

JOSIE KETELSEN - YANKEE WITCH
Reserve Ladies Champion

What a great year it has been with Yankee Witch and I. Little did I know till the last show that we were in the running for a year end award in the Ladies! I purchased Dot from Mike Hinrichson three years ago to get back in the show ring at CPRHA. She had a few years off since last being shown, so she needed the finished touches to be a finished show horse. After getting her buttons figured out and, speed control, we had some awesome patterns this year meeting personal goals. Dot and I qualified for the North Central Affiliate Finals in Rookie Professional finishing Top 10 in the class, had personal high scores in the pen, and good ranch pleasure classes! I was blessed to have the chance to show this mare and I am excited to get to see a student at Ketelsen training continue with her. Bring on the 2016 CPRHA show season to Maddie Scholz and Dot!
NANCY KIESZ - SPOOKY TO CASHMYCHEX
Limited Non Pro Champion
Prime Time Non Pro Champion
Non Pro Reserve Champion
Novice Horse 1 Non Pro Reserve Champion

My Lexy (Spooky To CashmyChex) is a 2008 mare out of Smart Spook and Nanny Nu Chex. I unexpectedly purchased her at the 2009 Market Place Sale as a long yearling. I started reining with Lexy in 2011. Unfortunately, our 2014 show season was eliminated when she cut her right hind leg to the bone in July. After many prayers, stall rest, constant care, a strict rehab program, and vet bills she finally healed in January 2015.

I believe this ordeal brought us closer together and made us a stronger team. Lexy is good minded and puts up with my inconsistencies. I really love the everyday riding, training, and focus it takes to be a successful reiner. I enjoy riding against all the great competition of CPRHA, especially my mentor Ethel Miner.

Thanks to Connie and her White Horse Management team who make the shows fun and very efficient. Thank you to Judy Bottgar who sponsored the Carla Clay Memorial Buckle. It is absolutely beautiful and my favorite of the three buckles and two jackets I have won. Winning the Primetime Class at the Regional Finals in Winona and receiving a Morrison and other great prizes, capped off our show season.

I would like to extend a big THANK YOU to Jason Sattler and Kevin Vesey for helping Lexy and I achieve many goals this season.

KAREN BATES - SHINERS LIL JAGUAR
Non Pro Champion
Limited Non Pro Reserve Champion

I am thrilled to have earned a CPRHA buckle award with Shiners Lil Jaguar this year!

I have had a great time with this little red horse for the last 6 years!! After 9 years in the reining pen Sherman and I made the decision to retire Honeymoon from reining in 2015. Sherman had his “last dance” with him at the NE Silver Classic winning the open reining under 5 of the 6 judges. My “last dance” in the CPRHA Non- Pro secured the year end buckle. We plan on pursuing other events with him, and are looking forward to this next phase. Thank you Sherman Tegtmeier for raising and training such a fun little pony. What a ride!

ETHEL MINER - ME SMART TARZAN
Reserve Prime Time Non Pro Champion

Our show season was limited for a time due to soreness issues and an abscess, but we managed to end up with Reserve Prime Time Non Pro Champion. I love my new jacket. Whoever was responsible for getting those did an awesome job! All-in-all it was still a great year getting to show and visit with my reining and cowhorse friends. Here's to a great 2016!
SETH CHAMBERLAIN - HA STARLIGHTS CHIC
Mens Champion

I want to thank Mike Hinrichsen for giving me the opportunity to show JRS Shiny Lil Whiz. ‘Whiz’ is a striking 2010 stallion by Walla Walla Whiz out of a daughter of Shining Spark. He has proven his talent many times throughout the year including AQHA Jr. World Show Qualifier and North Central Affiliate Novice Horse L1 and L2 Champion. I look forward to seeing what 2016 has for his future!

BRIAN MARKES - MAKYA BOOM
Mens Reserve Champion

Makya Boom is a 2008 own son of NRHA Futurity winner Boomernic. I started training with Josie Ketelsen in 2013 with no intention of ever showing. In early 2014, Boomer showed up at the barn and Josie and I started talking about reining. I was so intrigued with the sport of reining and Boomer; so I purchased Boomer.

That first year we started out very “green”. In fact, the first show I could not even do a lead change! Josie continued working with Boomer and I throughout the 2014 show year. Boomer and Josie finished 3rd in Green Horse. I learned so much that year. We continued to work through the winter to prepare for the 2015 show year. We had a great year starting to place toward the top end of our classes. I received my NRHA Green Rider jacket and my CPRHA reserve mens jacket.

I would like to thank Josie for all the hours she has helped Boomer and myself. I would also like to thank my wife, Jana, for supporting me and all the encouragement from everybody at EdgeParke. I am getting to know more people in the CPRHA. It is a great group of people. In fact, I am enjoying the sport so much that I purchased my second horse this year. Can’t wait for 2016!

RACHEL CHEPULIS - VINTAGE NIC NAC
Rookie 1 & Rookie 2 Champion

I can’t describe how much fun my first official year of showing the CPRHA circuit has been! Nic was everything I had hoped he would be; we meshed very well together in the show pen. Going into the 2015 season, I had a goal to just go show and do the best that we know how. When we ended up taking Rookie 1 and 2 I was thrilled; and finally had a belt buckle of my own!

I want to thank Seth Chamberlain for all the hours of help he invested to make me the best showman possible and so many others who were supportive along the way. I will truly never forget this year. I look forward to 2016 and another great year of showing!

LAUREN HEINE - CONQUISTADORS CUSTOM
Rookie 1 Reserve Champion

Mocha (Conquistadors Custom) and I had the opportunity to go for the coveted Rookie 1 award again this year. Competition was tough and I am so proud of Mocha and her every run, she is always there for me and is always consistent with her runs. That consistency paid off with our Reserve Champion CPRHA win and top 10 at NRHA Affiliate Finals in Rookie 1.
STACIA BRUGGER - DUN IT TEN
Novice Horse 1 Champion

This year in CPRHA Novice Horse Non Pro I showed Dun It Ten, known around the barn as Lilly. She was pitched to me as a back-up plan to show when my derby horse got hurt following the futurity. Although I was very disappointed I couldn’t ride my derby horse, I was excited to at least have a mount – so we made the best of it. Lilly and I had a lot of fun showing together this year. Even though we had things to work on and figure out at times, we really each just accepted each other and grew and learned together.

I would like to thank everyone at CPRHA for making this year so wonderful! I also would like to thank my parents who supported me the whole way, along with the many sponsors, supporters, and volunteers that help make all the shows possible. I can’t wait for the next show season to begin.

VANESSA GRAVATT & HELLO TOOTSIE
Novice Horse 1 Open Reserve Champion
Open Reserve Champion

Let us just take a minute and thank the CPRHA and White Horse Management for all of their hard work and countless long hours putting these exhibitor friendly shows together while making every person and horse involved feel special. From day one you have made my customers and I feel welcome, appreciated, and the show a fun place to be. You truly are my second family. A huge thank you to Theresa and Kelly Wick for trusting me and allowing me to show this wonderful mare. Your encouragement and unfailing support meant the world to me.

Let’s start with the story of “The little engine that could”, Hello Tootsie! Tootsie is an eight year old mare sired by Im Chairman and out of a Topsail Cody bred mare. Tootsie was purchased in the fall of 2014 as a nice quiet riding horse for Theresa. When we got Tootsie home we realized that she was a big hearted-quick footed-huge motored horse in a little body. We quickly came to the conclusion that her energy would be better applied in the show pen. Throughout the winter we taught her to change leads, spin like a top, and how to turn the enthusiasm down a notch or two. LOL! We weren’t sure how her first show was going to go since she was a seven year old mare that had never been shown but we were hoping for the best. From the first time out she loved the show environment and gave 200% every time she set foot in the arena! She truly wanted to be a show horse! She surprised everyone marking a 72, winning the open, and marking of the highest scores of the weekend! From then on throughout the year she never let us down and was there every single time we called on her. Tootsie has a heart of gold! She accumulated multiple plaques and trophies throughout the year and quickly became a crowd favorite to watch. Some people would even say, you could feel the ground shake when she ran her circles not to mention her monster stops! Over the course of the year she won over $2,700.00 at CPRHA shows and we were beyond thrilled.

After show season Tootsie enjoyed her time out in the pasture “just being a horse” with her pasture buddies but now we are bringing her back in for her new job… We are excited to announce that Tootsie will be bred to Lil Joe Cash in the 2016 breeding season. We are looking forward to her becoming a fabulous broodmare and we are beyond excited to someday show her offspring! Again, a big thanks to everyone and we are looking forward to what 2016 has to offer!
LORI HYATT - PEPPYS RUF GUN
Prime Time Rookie Champion
Rookie 2 Reserve Champion

This year has been an incredible journey for “Big” and myself. Big and I have been in training with Sherman Tegtmeier for just over a year. This sport has taught me many things and brought out the best of me. It is one of the most memorable years I have ever had and also a dream come true. We won 2015 Prime Time Rookie, Reserve Champion Rookie 2, Qualified at the Regional Affiliate show and got to go and participate in the North American Affiliate Champion Show. Thank you, Lord Jesus, Big, my family and Sherman Tegtmeier. And always remember chase your dreams and never give up.

SHERMAN TEGTMEIER - PEPPYS RUF GUN
Novice Horse 1 Open Champion

This year I have had the wonderful opportunity to train and show Peppys Ruf Gun “Big”, sired by Lil Ruf Peppy out of Peppy San Badger. Big has been in my program for just over a year now and at 11 years old this has been his first full show season. We have had a fantastic year winning Novice Horse Open CPRHA, Winning Reserve Champion Novice Horse at Regional Affiliate Finals, and Placing Ninth in Novice Horse Open at the North American Affiliate Champion Show. Thank you CPRHA, my family, God. Continue to look for and watch “Big” as our training continues and we will be focusing on Lori and Rookie. Thank you.

TERRY ANDERSON - CUSTOM SPINNING TOP
Prime Time Rookie Reserve Champion

How fun to be the reserve prime time rookie with my mare Custom Spinning Top! I purchased “Topper” in March just a few days before the first CPRHA show, from youth member Claire Streeter. I had ridden her only a few times before I showed in the first show, bringing home a plaque! She is a very laid back mare, quite the opposite of what I was used to. We did very well in AQHA classes also, needing only 1 more point to qualify for next years Select World. I truly enjoy all the reining friends I have made in the Central plains group, there is always someone ready to help out. I feel very blessed to have the opportunity to own and show my wonderful horses!
Special thanks go out to Sherman Tegtmeier Performance Horses for assisting us in building such a nice resume for Larks Baby Step. NRHA $3247, Ranch Riding $837, WSQ Open Reining x2, Ranch Riding, Am Reining, & Ranch Riding, Grand & Reserve Open & Am Performance Mares. Open & Am Performance ROM, 52.5 AQHA pts. 2014 CPRHA Champion L1 Open Novice Horse. Looking forward to the 2016 foal by Shiners Lil Jaguar.

The North Central Affiliate Finals is always an exciting show, the show that seems to get the youth and non pros nervous as this is “the one” to qualify for the Affiliate Championships and get your chance to compete in Oklahoma City.

The top ten qualifiers from each class have the opportunity to travel to the North American Affiliate Championships in Oklahoma City, not only did CPRHA have several top ten qualifiers but also many champions and reserves from several classes.

Starting out in the short stirrup was Emerson Schultis riding Inwhizable Senorita to win the class and in reserve was Luke Brugger riding Dun it by Starlight. The 13 and under class the reserve champion went to his sister Stacia Brugger aboard Dun it Ten. The Rookie division Elizabeth Blaser received the reserve championship riding FFR Wizard. The Non Pro Classes were well represented by Jennifer Knecht riding Remins Smart Guy receiving reserve champion in novice horse nonpro level 2 and limited nonpro. Nancy Kiesz was the champion in the prime time non pro riding Spookytocashmychex.

The open classes also had CPRHA members coming out on top. The Novice horse open and novice horse open level 2 were won by Seth Chamberlain riding JRS Shiny Lil Whiz and reserve champion, Sherman Tegtmeier riding Peppys Ruf Gun. CPRHA would like to thank the North Central Reining Horse Association for hosting the affiliate finals and a special thanks to Tom Lauth for the youth prizes given to all youth participants, a great show we look forward to attending each year!

The Shayla Zmek Memorial Perpetual Bronze

In Memory of Shayla Zmek
June 4, 1977 - August 5, 1994
May you ride with God’s love
and peace in His arena as
beautifully and skillfully as you
rode in any arena on earth.
~Written by Larry Zmek, Shayla’s
father for her headstone

Shayla Ann Zmek, age
17, was a passenger in an
auto accident at Dodge St.
& Hwy 275 near Waterloo, NE on August 5, 1994. Life as
we knew it came to an end that tragic evening. Faye,
her mom was getting her reining horse shod in Kear
ney at Doug Milhollands barn that evening, preparing
for the fall shows. Little did we know how these events
would reshape all of our lives.

At the first Sandhills Slide in Broken Bow, just two weeks
after the accident, Doug Milholland rode a beauti-
ful freestyle to Reba McIntire’s, “If I Had Only Known”
and “Amazing Grace.” And Lark was a part of that
freestyle... being led in by Doug on his horse. Just two
weeks prior, Lark had followed Shayla into the ceme-
tery with her chaps around the saddle horn and a
wreath of roses around his neck. A beautiful memory
that is etched into our minds forever.

Doug Milholland and CR Morrison de-
signed and donated this gorgeous
bronze of Lark called “An Empty Sad-
dle” to our family to be awarded as
a Perpetual Memorial for Shayla. The
bronze is crafted after Shayla’s horse
Lark, or Good Time Lark, son of Rugged
Lark. CR & Alice Morrison once owned
Lark and many of his distinctive bronzes
are modeled after him. What a tribute.

Shayla rode with Doug Milholland and
his assistant Drake Johnson. She loved working with
both of them! We can’t thank everyone above
enough for the experiences we shared.

Our 2015 winner of the Bronze is Rachel Chepulis riding
Vintage Nic Nac. Rachel trains with Seth Chamberlain
at the same barn I was in the night of Shayla’s acci-
dent in Keamey. Memories abound there.

Don’t be afraid to dream... reach for the stars and
always enjoy the ride. ~ Faye Zmek

Shayla lives on each day in our hearts and in our lives.
We are blessed to have this gorgeous bronze in mem-
ory of Shayla and Lark (now 30 years old) to present
to the deserving Rookie in CPRHA. Check out the up-
coming shows and see if you can qualify for this special
memorial.

Visit the web site for updated informa-
tion on the 2016 qualifying shows and rules.

With love never ending ~ Mom, Dad, Ryan & Ashley,

A stride forward for Navicular Syndrome

Introducing OSPHOS, the new FDA approved intramuscular bisphosphonate injection from Dechra Veterinary Products

Easily administered via intramuscular injection

Proven efficacy* at 6 months post treatment

Quick and convenient

Well tolerated* in clinical trials

OSPHOS contains clodronate disodium, a bisphosphonate indicated for the control of clinical signs associated with navicular syndrome in horses. OSPHOS is the only FDA-approved bisphosphonate for use in horses that is labeled for intramuscular injection. In a clinical trial evaluating OSPHOS in 88 horses, lameness improved in 74.7% of horses by at least one grade 56 days after treatment. Only 9% of horses displayed clinical signs of being uncomfortable, nervous, colicky and /or lame after receiving OSPHOS. Less than 1% of horses experienced colic requiring treatment.

WITH OSPHOS THE BENEFITS ARE CLEAR . . .

As with all drugs, side effects may occur. In field studies, the most common side effects reported were signs of discomfort or nervousness, colic, and/or pawing. OSPHOS should not be used in pregnant or lactating mares, or mares intended for breeding. Use of OSPHOS in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.dechra-us.com.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

The Great Plains Futurity and Derby was one of CPRHA’s most successful shows for the season, with only six stalls left available on the grounds we were about at full capacity! What a great way to end the show season and with one of the most exciting futurities to watch with money on the line, if you participated in the Calcutta. Starting off the show on Friday the Level 4 Open Derby champion was Devin Warren riding Einstens Dun It owned by Garth Hystad with a score of 144.5 and in a close second was Steve Swartzenberger riding Wimpy Sparkles owned by Bemetha Kurth with a 144. The Non Pro Derby Champion was Sharee Swartzenberger riding Electricdee with a 142. The reserve champion being Susan Knicely aboard O Lena Skeets with a 139.5.

The Futurity being one of the most exciting as two of CPRHA’s own took the champion and reserve spots and being back-to-back in the draw! Seth Chamberlain came in the pen riding Magnum Chic-a-Boom showing off beautiful circles and plus stops leaving the arena with a score of 146! As Seth headed out of the pen, Dallas Cunningham walks in aboard Baylee’s Irish Cream, both riders exchange glances one saying “good luck” the other saying “nice run”. Dallas started off his run with a long rein and his horse hunting that circle, finishing with the same long rein and unbelievable stops! The announcer hesitated...the score...a 147 to take home the Level 4 and Level 1 Open Futurity Champion, owner Joseph Trieb. Seth Chamberlain with the Level 4 Reserve Champion, owner Janet Hansen. The Level 1 Reserve Champion was Josh Murphy riding CBK Spooks Got Cash with a score of 144, owned by William E. and Corliss Kellogg. Level 4 Non Pro Futurity Champion was Sharee Swartzenberger riding Its Me with a score of 140.5. The Reserve Futurity Co Champion was Isabelle Riggs riding Sataraanite Special and Kristin Bell riding Gunna Joy both with a score of 140.
